It has been brought to the notice of the Board that some of the cardamom auction license holders are not conducting auction scheduled by the Board and the recurrent of such non conduct of e-auction scheduled by the Board is adversely depriving the grower's opportunity to sell their produce for better price realization and also affecting the trade of cardamom.

In view of the above, the following directions are issued with immediate effect.

1. Cancellation of scheduled e-auction consecutively for more than 4 auctions, irrespective of the e-auction centres by any of the licensed auctioneers will not be allowed and it will be viewed very seriously and appropriate action including the suspension of the e-auctioneer license issued shall be initiated.
2. If any of the e-auction license holders wants to cancel the e-auction scheduled by the Board for any reason, it shall be informed to the Board before 10 AM of the previous day of the auction scheduled.
