Webinar on Opportunities for Indian Spices in Thailand and Buyer Seller Meet (BSM)

18th August 2021

Spices Board (Ministry of Commerce & Industry, Govt. of India) is the flagship organization for the development and worldwide promotion of Indian spices. The Board is an international link between the Indian exporters and the importers abroad. The Board has been spearheading activities for excellence of Indian spices involving every segment of the industry.

India is the largest producer, consumer and exporter of spices of the world. India's spice exports, with a volume of 15,65,000 MT valued at Rs.27193.20 crore during 2020-21, scaled the landmark level of 3.6 billion US\$ in value realization, besides recording a growth rate of 30% in volume, 23% in rupee terms and 17% in dollar terms over the previous year, despite the global pandemic situation.

India's economic and commercial relations with Thailand are rooted in history, age-old socio- cultural interactions and extensive people to people contacts. Thailand is a major export destination for Indian spices and holds ample potential for further business expansion. Bilateral trade between two countries increased manifold in recent years. India, on an average exports 68225 MT of spices to Thailand annually, valued at Rs 944.35 crores, which accounts for 6% volume and 5% in value of India's total spice exports. The major spice products exported from India to Thailand are chillies, turmeric, garlic, value added products like spice oils & oleoresins, curry powder etc.

Considering the growth potential, established market access, increasing imports by Thailand of specialized spice blends like chicken curry, fish curry, meat masala, ready to cook (rtc) products etc and industrial demand from the food & meat processing industries, Spices Board has identified Thailand as a focus country for achieving accelerated growth in export of Indian spices.

Accordingly, with a view to present the improved capability of the Indian spice sector to supply a wide range of safe and quality products to the culinary and non-culinary sectors, Spices Board in association with the Embassy of India, Bangkok is organizing a "Webinar on Opportunities for Indian spices in Thailand cum Buyer Seller Meet (BSM)" on 18th August 2021 from 1.30 pm to 3.30 pm (IST) through an online platform by involving Indian spice exporters, leading importers in Thailand, trade associations, chamber of commerce, leading super market chains / departmental stores etc. More than 170 exporters from India will be attending the BSM. The list of exporters participating in the BSM and the details of major spice importers of Thailand/ buyers are given below.
