Indian Spices are renowned across the world for their rich intrinsic qualities, from time immemorial. India continues to be the leader in production, export and domestic consumption of spices in the world. Indian spices production reached close to 10 million tonnes during 2019-20. India's spice exports, with a volume of 11,83,000 MT valued at Rs.21515.40 crore during 2019-20, scaled the landmark level of 3 billion US\$ in value realization, besides recording a growth rate of 8% in volume, 10% in rupee terms and 8% in dollar terms of value over the previous year, despite the global pandemic situation.

Andhra Pradesh, holds a significant position in the spice production of India by being a major production and export hub of Chilli & Turmeric. During 2019-20, the State produced 7,00,000 MT of Chilli and 80,000 MT of Turmeric from an area of 1,53,000 Ha and 17,700 Ha respectively.

In order to co-ordinate the programmes / projects implemented by the State / Central Agencies for production, development, marketing and export promotion of spices in the region the Board has established Guntur Spice Development Agency (SDA) chaired by the Chief Secretary of the Andhra Pradesh with members representing various stakeholders.

The Board is issuing Certification of Registration as Exporter of Spices (CRES) to the exporters of chill & turmeric, which in turn enables stakeholders to undertake exports of spices and spice products. The programs for export promotion implemented by the Board include assistance to exporters for packaging development, reimbursement of courier charges for sending samples abroad, assistance for brand promotion, support for product development & research, quality evaluation

services for facilitating export etc. Also, the Board is regularly conducting Quality Improvement Training Programmes to the farmers, FPOs, traders, exporters, officials of state Agri / Horti Depts, members of NGOs on the updated quality and safety requirements and good practices to be adopted by the stakeholders. Further, the Board is conducting Recognition of Prior Learning (RPL) programmes to the spices growers in the region for skill development under PMKVY.

Spices Board with a view to further promote the export of spices and spice products, has been organizing Buyer Seller Meets (BSM), so as to provide a common platform for the Buyers and Sellers of the spice industry, to interact directly and establish effective business linkages.
